

Linie 49 PIKE

Red Scarf

Approx. 12 x 180 cm

Materials: Linie 49 Pike col 05 – 150 g, knitting needles and one crochet hook size 8 – 9

Basic pattern: see above. Work each time 1 stitch per bar.

Tension: 4 pompons and 10 rows (= 5 rows showing) to 10 cm square.

METHOD

Scarf: place 6 loops on needle = 5 pompons and work in basic pattern, 1 stitch over each bar. After approx. 180 cm cast off stitches.

Recommended working procedure – Knitting Instruction

Depending on the chosen width loops are positioned round the needle with the bar (yarn connection between two pompons). Knitting in garter stitch (Knit on right and wrong side of work), i. e. only with the bar (pompons are situated between). Either work one stitch per bar (then knitting appears as shown on the photo) or work two stitches per bar (giving a tighter presentation of stitches). Edge stitch should be worked at beginning and at end of every row. Work to chosen length, then work off stitches with a crochet hook as follows: cast off 1 stitch, * make a loop with following bar *, cast off following stitch together with the loop, repeat from *. Or cut off yarn after obtaining the same number of pompons as stitches. Cast off 1 stitch with crochet hook * and draw casting-off yarn through this loop, cast off following stitch spaced 1 pompon apart, repeat from *.
