Weave in tail securely.

Make one flower as follows and secure with tail to hat

### Flower

ch5 sl st to join, ch3, (cluster, ch2)6x in ring, sl st to join

ch3 (sc, hdc, dc, hdc, sc) in each space around.

Secure tail and leave about 8" to sew onto hat.

You can also make more flowers in a contrasting yarn, in varying weights to sew on as well.

Flower pattern remains the same for other yarn weights, just use appropriate hook size for yarn.

**dc** double crochet (yo, pull up a loop, (yo, pull through two loops on hook) twice)  
**sp** space(s)  
**sl st** slip stitch (pull a loop through stitch and also through loop on hook)  
**ClSt** Cluster Stitch (yo, pull up a loop)4 x, yo pull through all loops on hook, yo pull through to close.  
**ClStInc** Cluster Increase (ClSt, ch2, ClSt all in same space.)  
**ModCl** Modified cluster (yo pull up a loop)4x yo pull through all loops on hook.

## Materials

100g of Knitting Fever's *Jade* yarn  
(shade #8 shown)

H 5mm hook

## Gauge

Approx. 7 Cluster Stitch per 4in/10cm.

**Note:** This is one of my favorite stitches for hats as it has a great structure and holds its shape well. It works wonderfully with a mohair blend yarn carried with it as well!
