

Times Square Cowl by Ben Matthews

Materials: Three balls of Superstar. Size 17 needles.

Instructions: Cast on 24 stitches.

R 1: Knit all stitches

R2: Knit all stitches, wrapping each stitch three times before completing the knit

R3: Slip 4 stitches, letting wraps drop. Pass the farthest two slipped stitches (the first two you slipped) over the other two stitches and back onto the left hand needle. Bring remaining two on right needle back to left hand needle. The stitches should now be crossed in an X on the left hand needle. Knit each stitch. Repeat these instructions for each set of four stitches throughout row.

Repeat rows 1-3 until you are almost out of yarn. Sew ends together to form a loop. Enjoy!
