FINISHING

Fold in half long rectangular panel, to correspond colour stripes. Sew 42 (43) cm seam across RH (right hand) side (see Chart) leaving a 17 (18) cm opening at top for neck. Knot fringes all along opposite side, Back and Front.

Fringes: for each fringe cut 4 strands (one for each colour: pink, white, light grey and dark grey approximately 25 cm long. Holding the strands together, fold in half, insert crochet hook through the first st at lower edge, catch the folded end of yarn. Draw strands through the st and pull up a loop. Thread the loose ends through the loop and pull tight. Repeat this process into the end of the 3rd row and every 3rd row up side of the panel. Lay out on a flat surface and trim the fringes to neaten up.
