NOTES

Always work the cap in round on RS. Place 1 SM at beginning of every round and move it upwards as you work.

INSTRUCTIONS

Using circular needles with size US9/5.5 mm points, cast-on 56 sts. and close in ring shape. Place 1 SM in 1st st. of the round and work 5½"/14 cm band in rib 2/2.

Using size US10/6 mm points, work 3"/8 cm in stocking st. then, for top part shaping, decrease as below.

Decreasing round: skp on first 2 sts. (= slip 1st st. k-wise, knit next st., pass slipped st. over), k23, k2tog on next 2 sts., knit across the entire r.

Work 3½"/9 cm more in stocking st. and, across every round, decrease 2 sts. lined-up with the previous ones. At last, cut the yarn leaving a long tail.

FINISHING

Using the long tail, thread the darning needle and pass it through the remaining sts. of last round and, at the same time, unthread the circular needles, then pull the yarn tightening the sts. Fix with a couple of stitches and hide the ends inside the fabric on WS. Cut the yarn.
