Change to larger needles increasing 1 st. at the beg. of row and work straight in stockinette stitch until piece measures 13 (14, 15) inches or desired length. **ARMHOLE SHAPING:** Bind off 4 sts. at the beginning of the next 2 rows. Decrease 1 stitch each end, every other row 2 times. Decrease 1 stitch each end, every fourth row until armhole measures 6 (6½, 7) inches. Bind off all sts. straight across row.

Front: With smaller needle, cast on 70 (74, 78) sts. Work in K1, P1 rib for 2". Change to larger needles increasing 1 st. at the beg. of row and work straight in stockinette stitch until piece measures 9 (10, 11) inches. Start pattern in the following manner:

Continue working in this manner adding 1 knit stitch at each side of panel on the purl side 4 times. These extra sts. appear as garter sts. on the right side of your sweater. When you have added these extra knit sts. on the purl side you will have added one more baby cable on each side of the panel. Continue to add 1 knit st. at each side of panel until you have 5 cables in the panel and 2 garter sts. at each edge of the panel, continue working panel straight up without further extending the size of your panel. **AT THE SAME TIME:** Follow shaping for armholes the same as the back until armhole measures 4 (5, 5) inches. Work sts. across following pattern. Bind off center 17 sts. Work across the remainder of row and back to center. Tie on a new skein of yarn to the other side of bound-off center sts. Bind off 5 sts. on each side of neck edge 1 time. Bind off 3 sts. on each side of neck edge 1 time. Decrease 1 st. on each side of neck edge every other row until there is one stitch left on each side. Be sure to continue decreases on

Sizes: 34 (36, 38) finished measurement is about 1" larger

Abbreviations: pss0 2 = pass the slip stitch over the 2 knit sts.

armhole edge while working neckline shaping.

Sleeves: With smaller needles cast on 40 (42, 44) sts. Work in K1, P1 rib for ½". Change to larger needles and increase 21 (23, 25) sts. evenly across row. Work straight in stockinette stitch until sleeve measures 5½". Start pattern and work it in the same manner as you did for the front of the sweater, except that you will continue working the pattern outward until the pattern has extended all the way across the entire row. **AT THE SAME TIME:** When sleeve measures 11 (12, 12) inches, shape cap of sleeve. Bind off 4 sts. at the beginning of the next 2 rows. Decrease 1 stitch each end of every third row until cap measures 7 (7½, 8) inches. Bind off all sts.

Finishing: Sew side seams of sweater. Sew seam on sleeve up to underarm bind offs. Sew armhole seam on sweater to seam of cap on the sleeve. The top of the sleeve (bound-off sts.) becomes a part of the neckline. Do not attach this part to the armhole. Crochet 1 row of single crochet around neckline and 1 row of rope crochet over the row of single crochet. (If you cannot do rope crochet, work 1 extra row of single crochet.)
