TANLA SCARF

A Simple and Easy to Knit Pattern

By Jane Ellison©

TANLA SCARF

Using one hank each of Mirasol Nuna in three shades

Peru´s heritage and culture of textile artistry is one of the richest in the world. Without the shepherds tending their animals in the Peruvian Highlands we would not have this beautiful luxurious yarn. By purchasing from the Mirasol Yarn Collection you are supporting the children of these shepherds and the continuation of this tradition. A portion of every purchase is dedicated directly to the funding of a school in the remote area of Muñani in the region of Puno. To find out more visit www.mirasolperu.com
