

Cotton Sparkle Infinity Scarf

Cotton Sparkle Infinity Scarf

This is a fun stitch pattern which can be altered in size if you want to create a smaller cowl (fewer rows) or a larger wrap (by working more rows). Make sure to purchase enough yarn to complete your project!

Pay special attention to executing the stitches correctly, as written in the key. Once you get used to the stitch pattern, it is quite easy, but it is a different kind of knitting and it takes a little practice. You can swatch by casting on 10 stitches and testing the stitch pattern out.

Set Up

Cast on 40

Row 1: k1, KW for each st across row

Body of Shawl

Row 2: K1 (leaving second loop of that first stitch on needle where it started), K2L across row.

Repeat Row 2 for approximately 86 in.

Finishing

Bind off by k1, k2tog, BO1, k2tog, BO1, etc to end.

Join ends together and sew together with sewing thread in same color. Alternatively, you can sew together with working yarn.

Weave in all tails securely.

Wear wrapped once, twice or three times around. There are many fun ways to enjoy this piece!!
