Cut two circles of cardboard, approx 6.5 cm in diameter (this will make a finished pom-pom of approx 4 cm). Mark and cut out a small circle (approx 1.5 cm in diameter) in the centre of the two pieces. Wind the yarn around the cardboard until the centre hole is almost filled up. Using a pair of scissors, place the point between the two circles of cardboard and cut around keeping the scissors in between all the time. Using a double strand of yarn, wrap around between the two circles of cardboard, knot firmly and take away the cardboard. Trim the pom-pom to size.
